Remember the recreation!

Did you know that you could play beach volleyball in Sumner? How about trying stand-up paddle surfing on Lake Tapps? The Sumner/Bonney Lake Recreation Department is your own personal ticket to local adventure--no cruise or long flight required! The Department also offers great activities for kids, including the 20th Anniversary of Action Day Camp, week-long camps for kids in grades K-5. Action Day Camps begin the week of June 22 and go through August 26th. Cost is \$120 per week except week #1 (\$75) and week #3 (\$100).
