

# ADDENDUM NO. 3

January 12, 2009

Engineer:

Hedges Engineering  
913 Kincaid Ave  
Sumner, Washington 98390

Owner:

City of Sumner  
1104 Maple Street, Suite 260  
Sumner, WA 98390

## SUMNER RIVERSIDE TRAIL – PHASE 2

CIP 08-13

To: All Holders of the Bidding Documents, Contract Specifications, and Construction Drawings

This Addendum forms a part of the Contract Documents and modifies the Bidding Documents, Contract Specifications, and Construction Drawings for the revised opening date of January 20, 2009 (original bid opening January 13, 2009). This delay of bid opening is due to the recent weather and flooding that has kept many of us busy.

Acknowledge receipt of this addendum on the Bid Form. Failure to do so may subject the Bidder to disqualification. This addendum consists of:

4 Pages of text (including this cover sheet).

1. BID OPENING DATE REVISED TO **January 20<sup>nd</sup> at 2:00p.m.** The bids will be opened on the first floor in the police conference room.
2. Adjustment of spec 1-08.4
3. Adjustment to spec section 2-03.4
4. Adjustment to proposal item A-8 Unit of Measure

### Division 1 – General Requirements

---

#### 2. Section 1-08

#### Prosecution and Progress

#### Section 1-08.4

#### Prosecution of Work

Section 1-08.4 is to be supplemented with the following:

The first sentence of Section 1-08.4 is revised to read:

The contractor shall not begin onsite work until a date agreed upon by both parties after project is awarded. Contract time shall begin no later than **May 4<sup>th</sup> 2009.**

**3. Division 2 – Earthwork**

**Section 2-03            Roadway Excavation and Embankment**

**Section 2-03.4        Measurement**

Section 2-03.4 is to be supplemented with the following:

Trail excavation quantities specified in the Proposal are calculated from existing ground (top of pavement, grass, and sidewalks) to subgrade. No shrinkage or swell factors have been included.

Only one determination of the original ground elevation will be made on this project. Measurement for "Trail Excavation Incl. Haul" is based on the original ground surface elevations recorded prior to the award of this contract.

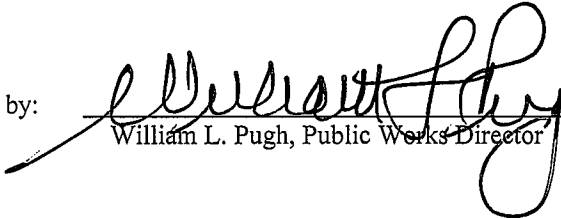

Earthwork quantities were computed by means of electronic data processing equipment by use of the average end area method utilizing terrain modeling techniques.

Prepared by:

Charles "Ted" Hill, Associate City Engineer

Approved by:

William L. Pugh, Public Works Director

## PROPOSAL

To: City of Sumner

1. Pursuant to and in compliance with your Call for Bids and the other documents relating thereto, the undersigned bidder, having familiarized himself with the terms of the project related to those items herein bid, being aware of the local conditions affecting the performance of a contract covering the items bid, having knowledge of the cost of the work at the place where the work is to be done, and having familiarized himself with the Contract Documents, hereby proposes and agrees to perform the work and/or to furnish the equipment, any or all of the labor, materials, tools, expendable equipment, and all utility and transportation services necessary to perform a contract covering any or all of those items herein bid and to complete in a workmanlike manner all work covered by said contract in connection with the Owner's **Riverside Trail Phase II (Shop Loop Trail)** project, for the amounts stated below.
