**INVITATION TO BID
SMALL PUBLIC WORKS PROJECT**

Prevailing Wages are required to be paid

The City of Sumner is releasing a Small Public Works Project. As a contractor on the Small Works Roster, you are invited to express interest on this project.

Project Title: CIP 08-13 Riverside Trail Phase II, Hazardous Tree Removal

Brief Scope of Work: The work involves cutting down six (6) hazardous trees along the newly constructed Riverside Trail. The trees are going to be left in place and will need to be logged in a manner that will not impact the new trail. Access to the area will be limited to light duty equipment (1/2 ton truck).

Estimated Release Date: September 9th, 2009

Bid Due Date (Subject to Change): September 16th, 2009 by 12:00 noon

Please fax this page back to Kathy Dorosz, Administrative Specialist at 253.299.5539 in order to express your interest in this project. Circle either Yes or No and return by September 8th, 2009. If interested in the project, the "Request for Bids" package will be emailed to you. If your response is no or if you do not respond, you will be removed from the list for this project. You will remain on the Small Works Roster and remain eligible for future opportunities regardless of your response.

If you require additional information or answers to any questions please call Ted Hill, Associate City Engineer at 253.299.5703 or by email at tedh@ci.sumner.wa.us.
