**INVITATION TO BID
SMALL PUBLIC WORKS PROJECT**

Prevailing Wages are required to be paid

The City of Sumner is releasing a Small Public Works Project. As a contractor on the Small Works Roster, you are invited to express interest on this project.

Project Title: CIP 09-02 Seibenthaler Park Pump Station No. 6 Improvements Phase 1

Brief Scope of Work: The work involves improvements to the force main at the pump station. Approximately 16 linear feet of 10-inch-diameter DI force main will be replaced to allow for the installation of a pig port and utility vault containing electromagnetic flow meter, air release valve, vacuum relief valve, and pressure gage. An 8-foot chain link fence will be placed around the perimeter of the station and connected to the existing block wall. A commercial cement concrete driveway approach and cement concrete curb and gutter shall be installed along Bonney Avenue. Existing storm sewer structures, generator, concrete pad, dry well, wet well, electrical panels, and hot box shall be preserved and protected during construction. Irrigation and landscaping will be replaced in-kind.

Estimated Release Date: August 31, 2009

Bid Due Date (Subject to Change): September 15, 2009 by 12:00 noon

Please fax this page back to Kathy Dorosz, Administrative Specialist at 253.299.5539 in order to express your interest in this project. Circle either Yes or No and return by August 28, 2009. If interested in the project, the "Request for Bids" package will be mailed to you. If your response is no or if you do not respond, you will be removed from the list for this project. You remain on the Small Works Roster and remain eligible for future opportunities regardless of your response.

If you require additional information or answers to any questions please call Ted Hill, Associate City Engineer at 253.299.5703 or by email at tedh@ci.sumner.wa.us.
