SMALL PUBLIC WORKS PROJECT

Prevailing Wages Are Required To Be Paid

INVITATION TO BID

The City of Sumner is releasing a Small Public Works Project. As a contractor on the Small Works Roster, you are invited to express interest on this project.

PROJECT TITLE: CIP 09-11 Parker Road Storm Repair

Description of Work

There are two (2) options in this bid packet:

Option A

To install a 60” saddle manhole and replace approximately 66 feet of 36” cast in place concrete pipe with 12” PVC pipe.

Option A1

To use the existing cast in place 36” pipe as a sleeve and install approximately 320 feet of 12” welded HDPE pipe.

All work, equipment and materials shall conform to the 2008 Washington State Standard Specifications, and the City of Sumner Standards.

Estimated Release Date: July 22, 2009

Bid Due Date (Subject to Change): July 31, 2009

Please fax this page back to 253.299.5539 in order to express your interest in this project. Circle either **Yes** or **No** and return by **July 21, 2009**. If interested in the project, the “Request for Quotation” package will be mailed to you. If your response is no or if you do not respond, you will be removed from the list for this project. You remain on the Small Works Roster and remain eligible for future opportunities regardless of your response.

If you require additional information or answers to any questions please call Greg Schwagerl at 253.299.5707 or by email at gregs@ci.sumner.wa.us.
