Chapter 2: Shoreline Inventory - Summary

Introduction	2-1
Study Area Boundary	
Inventory	
Land Use and “Altered” Conditions	
Biological Resources and Critical Areas - Opportunity Areas	
Opportunity Areas By Inventory Segment	
Recommendations	

Chapter 3: Shorelines of Statewide Significance

Introduction	3-1
Riparian Management Zones	3-2
Floodplain Management	3-3
Fish and Wildlife Habitat Protection	3-4
Public Access and Recreation	3-4

Chapter 4: Shoreline Environments

Introduction to Shoreline Environment Designations	4-1
City of Sumner Shoreline Environment Designations	4-1
Urban Conservancy Environment	4-2
Definition	
Purpose	
Designation Criteria	
Management Policies	
Development Standards	
Areas Designated	
Shoreline Residential Environment	4-7
Definition

Chapter 5: Goals for the Shoreline Master Program

Introduction	5-1
Economic Development Element	5-1
Public Access Element	5-1
Circulation Element	5-1
Recreational Element	5-2
Shoreline Use Element	5-2
Conservation Element	5-2
Historical/Cultural Element	5-2
Flood Hazard Management	5-3

Chapter 6: General Shoreline Development Policies and Use Regulations

Introduction	6-1
Reader’s Key	6-1
I. Environmental Impacts	6-2
Definitions	
Environmental Impact Policy	
General Environmental Impact Regulations	
Earth	
Air	
Water	
Plants and Animals	
Noise	
Public Health	
Land Use	
Aesthetics	
Historical/Cultural	
2. Environmentally Sensitive Areas – General	6-10
Definition	
Environmentally Sensitive Area General Policies	
Environmentally Sensitive Area General Regulations	

- 3. Environmentally Sensitive Areas - Floodplain Management 6-12**
 - Definition
 - Floodplain Management Policies
 - Floodplain Management Regulations
- 4. Environmentally Sensitive Areas – Wetlands 6-14**
 - Definition
 - Wetland Policies
 - Wetland Regulations
- 5. Public Access 6-25**
 - Definition
 - Public Access Policies
 - Public Access Regulations

Chapter 7: Specific Shoreline Development Policies and Regulations

- Introduction 7-1**
- 1. Agriculture 7-2**
 - Definition
 - Agriculture Policies
 - Agriculture Regulations
 - Agriculture Environment Specific Regulation
- 2. Boating Facilities 7-4**
 - Definition
 - Boating Facilities Policies
 - Boating Facilities Regulations
 - Boating Facilities Environment Specific Regulation
- 3. Clearing and Grading 7-8**
 - Definition
 - Clearing and Grading Policies
 - Clearing and Grading Regulation
 - Riparian Management Zone Regulations
 - Clearing and Grading Environment Specific Regulation
- 4. Commercial Development 7-12**
 - Definition
 - Commercial Development Policies
 - Commercial Regulations
 - Commercial Environment Specific Regulations
- 5. Dredging and Disposal of Dredge Spoils 7-14**
 - Definition
 - Dredging and Dredge Spoil Policies
 - Dredging and Dredge Spoil Regulations
 - Dredging Environment Specific Regulations
 - Dredge Spoil Disposal Environment Specific Regulations

	Page
6. Industrial Development	7-17
Definition	
Industrial Policies	
Industrial Regulations	
Industrial Environment Specific Regulations	
7. Instream Structures	7-19
Definition	
Instream Structure Policies	
Instream Structures Regulations	
Instream Structure Environment Specific Regulations	
8. Landfill	7-21
Definition	
Landfill Policies	
Landfill Regulations	
Landfill Environment Specific Regulations	
9. Mining	7-23
Definition	
Mining Policies	
Mining Regulations	
Mining Environment Specific Regulations	
10. Parking	7-25
Definition	
Parking Policies	
Parking Regulations	
Parking - Environment Specific Regulations	
11. Recreational Facilities	7-27
Definition	
Recreational Facilities Policies	
Recreational Facilities Regulations	
Recreational Facilities Environments	
12. Residential Development	7-28
Definition	
Residential Policies	
Residential Regulations	
Residential Environment Specific Regulations	
13. Shoreline Modification	7-30
Shoreline Modification Policies - General	
Shoreline Modification Regulations - General	
Shoreline Modifications	
Bulkheads	
Bulkhead Definition	
Bulkhead Policies	
Bulkhead Regulations	
Bulkhead Environment Specific Regulations	

- Dikes and Levees
 - Dikes and Levees Definition
 - Dikes and Levees Policies
 - Dikes and Levees Regulations
 - Dikes and Levees Environment Specific Regulation
- Revetments
 - Revetment Definition
 - Revetment Policies
 - Revetment Regulation
 - Revetment Environment Specific Regulation
- 14. Signs 7-40**
 - Definition
 - Sign Policy
 - Sign Regulation
 - Signs Environment Specific Regulations
- 15. Transportation 7-41**
 - Definition
 - Transportation Policies
 - Transportation Regulations
 - Transportation Environment Specific Regulation
- 16. Utilities 7-43**
 - Definition
 - Utility Policies
 - Utility Regulations
 - Utility Environment Specific Regulations
- 17. Stormwater Management Facilities 7-45**
 - Definition
 - Stormwater Management Facilities Policies
 - Stormwater Management Facility Regulations
 - Stormwater Management Facilities Environment Specific Regulations

- Chapter 8: Administrative Procedures**
 - I. Shoreline Permit Requirements 8-1**
 - A. Exemptions from Substantial Development Permit Requirements
 - B. Unclassified Uses
 - II. Shoreline Permit Procedures 8-4**
 - Pre-application
 - A. Information Prior to Submitting Application
 - Submittal
 - B. Statement of Exemption
 - C. Substantial Development Permits
 - D. Application Fees.
 - E. Complete Application
 - Review
 - F. Permit Process.

	Page
III. Variance and Conditional Use Permit Criteria	8-11
A. Variances	
B. Conditional Use	
IV. Time Requirements and Revisions	8-14
A. Time Requirements for Shoreline Permits	
B. Revision of Permits.	
V. Nonconforming Development, Development & Building Permits, and Unclassified Uses	8-15
A. Nonconforming Development.	
B. Development and Building Permits	
C. Unclassified Uses	
VI. Enforcement and Penalties	8-17
A. Enforcement.	
B. Penalty.	
C. Public and Private Redress	
D. Delinquent Permit Penalty	
VII. Master Program – Review, Amendments, and Adoption	8-18
A. Master Program Review	
B. Amendments to Master Program	
C. Severability	
D. Effective Date
